

$$f \left( \text{매개변수} \right) = \text{인수}$$

The diagram illustrates the relationship between a function and its arguments. On the left, the letter 'f' is followed by a large opening parenthesis '('. Inside this parenthesis is a light blue circle containing a large black 'X'. Below this circle is the Korean text '매개변수' (parameter). To the right of this is an equals sign '='. To the right of the equals sign is a large closing parenthesis ')'. Inside this parenthesis is a light green circle containing a large black 'C'. Below this circle is the Korean text '인수' (argument).
